

Privacy Policy

1. Introduction

Welcome to MISSION. We value your privacy and are committed to protecting your personal data. This Privacy Policy explains how we collect, use, and protect your information when you use our app.

2. Information We Collect

Our app does not require you to create an account or provide any personal information such as your name, email address, or contact information. We do not collect or store any geolocation data.

When you use our app, we may collect the following types of information:

- **User Input Data:** This includes any text, voice, or other input you provide during your interactions with ChatGPT. This data is processed to generate responses and enhance the app's functionality.
- **Usage Data:** We may collect information about your interactions with the app, such as how often you use the app, the features you use, and performance data. This information helps us improve the app and provide a better user experience.
- **Device Information:** We may collect information about the device you use to access the app, including the device type, operating system, and app version. This data helps us optimize the app for different devices and platforms.

3. How We Use Your Information

The information we collect is used for the following purposes:

- **AI Processing:** User input data is processed by ChatGPT or similar AI services to generate responses and fulfill your requests.
- **App Improvement:** Usage data and device information are used to improve and optimize the app, ensure its stability, and enhance the user experience.
- **Security:** We use data to detect, prevent, and respond to potential fraud, security issues, or other activities that may violate our policies.

4. Data Sharing

We do not sell, trade, or otherwise transfer your personal data to third parties, except in the following circumstances:

- **Service Providers:** We may share data with trusted third-party service providers who assist us in operating the app, processing data, or conducting business. These providers are contractually obligated to protect your data and only use it in accordance with our instructions.

5. Data Security

We implement appropriate security measures to protect your data from unauthorized access, alteration, disclosure, or destruction.

6. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. Changes are effective as of the date listed at the top of this policy.
